Camera: **Canon EOS 620**  
Format: **Film:35mm:**  
Film: **Unknown**

Year: **2001** Month: **April**

**Subject:** Gifts and dresses.

**People:**

Rahel

**Notes:**

Rahel had been desperately unhappy during the wedding and reception. In the morning she wanted many more photographs of herself and the presents. Some of these are not bad and Rahel puts on a good show. The pictures where she is snarling I have deleted. The images are scans, I think, from the prints.

**Dates:**

The dates and times have been garnered from memory, diaries, emails, receipts and other ephemera. I have checked dates where possible against publicly available information on the internet. The times are less accurate and are inferred by reference to the image contents and the sequence of images on the film rolls.
