

Roll: **20020717-2767**

Camera: **FujiFilm FinePix MX-1700Z:**

Film: **1/2 inch digital**

Subject:

By the river.

Notes:

Joseph looks younger than 10 months old here to me but the shots were together with others that appear to have been from July 2002. I think Joseph had started taking a few steps at 9 months but he doesn't look capable of that here. Still until such time as I have other evidence I'll stick with what we've got. Rahel does look dreadfully tired.

People:

Joseph and Rahel.
